What is the ASP all about?

- Balancing safe, educational and recreational programming for school-age children during after-school hours.
- Recreation includes all types of sports and games, arts and crafts, cultural and environmental interpretation, science projects, sledding when there's snow, swimming in June and much more.
- Educational activities based on fun.
- Hours are from the close of school to 6:00pm on school days.

How does it all happen?

- Children are greeted and checked-in at the front desk.
- Belongings are hung up and a snack is provided.
- Children then choose between activities that vary on a daily basis including homework help with a NY State Certified teacher (3:00-5:30 Monday through Thursday).
- Parents park in the parking lot, come into the JCC's main lobby and relax while a counselor calls for their child(ren).
- Everyone looks forward to Fridays. The entire Mishpache (family) gathers to celebrate Shabbat. On Fridays, we do a community-building group activity together and provide an age-appropriate movie for the children.

Transportation

J-D schools transport students directly to the JCC. Coordination must be worked out with the participants' parents and the respective J-D school. The JCC can arrange bussing from some schools in the Syracuse City and F-M district, including private schools. Please contact the Children's Department to make these bussing arrangements. The cost of transportation is included in the monthly fees. The JCC bus is reserved for children who are enrolled in a JCC program.

Rate Information

Regularly scheduled program participants have the added bonus of FREE child-care for the following: District-wide Superintendent's Days, Conference Days, Half-Days, Snow Days, and early and late care during Vacation Camps. Vacation Camps are registered separately and not included in the monthly After-School Program rates. The monthly fees are NOT pro-rated for months with varying number of school days or for participant absence. Please see Vacation Camp schedule for a listing of dates that apply.

After-School Monthly Rates

Days (per week)	Members	Non-Members
1	\$70	\$105
2	\$105	\$130
3	\$143	\$189
4	\$165	\$217
5	\$189	\$247
Daily Drop In	\$20	\$30

5% Sibling Discount. Discount applies to lower-priced enrollment on each additional child.

Billing and Payment

Billing is done on a monthly basis. A \$60 registration fee (\$10 of which is non-refundable) is due upon registration. \$50 of this fee is applied to the first monthly payment. Each child is automatically enrolled for each month unless notification is given of a schedule change or withdrawal from the program. Such notification must be received in writing at least two weeks in advance of the change to avoid additional charges.

Parking

For the safety and security of all our members, the JCC will strictly enforce the following safety measures: No cars will be parked in front of the main entrance, no parking in the handicapped spaces without proper authorization, and no parking in the loading zone.

Safety

Please make sure to completely and carefully fill out your child's registration and emergency forms. All forms must be completed prior to the child's first day. It is also very important to leave current and accurate phone numbers and names of persons who can be contacted in the event of an emergency.

The Children's Department of the JCC takes its responsibility for children very seriously. We must account for every child in the building. This means that any children under the age of 12 cannot come into the JCC unaccompanied by an adult unless registered and participating in the After School Program. If your child is enrolled in the After-School Program and will not be attending on a day for which he or she is scheduled, it is necessary to inform the Children's Department by 1:00 PM on that day. The number to call is 445-2360.

The Children's Department takes considerable effort to locate any absent participants. Families who repeatedly fail to notify the department of participant absences will be given notice of a cessation of the department's efforts to locate their child when absent.

Before & After JCC Class Care

Care is available for your child for up to one hour before or after he or she attends one of the JCC's many classes. The cost of before & after care class is \$2.00 for members and \$3.00 for non-members per day. Registration is required. Regular After-School registration is necessary if it will be more than one hour between the participant's arrival at the JCC and the start of the class. There are no credits for classes not attended. Charges are based on the month, not class days. You must also register for regular After-School if it will be more than one hour between the end of the class and the time of pickup by parent.

Vacation Camps 2009-2010

Registration flyers will be sent home with all regular After-School Program participants a few weeks prior to each vacation camp. Our activities vary greatly and we keep things exciting and fun for our vaca-campers.

Times: 9:00 AM – 4:00 PM
(Extended Care: 7:30 AM – 6:00 PM)

Standard Day: \$35 per day members
\$45 per day non-members
