

Dear Parents:

Welcome to JCC Camp Rishon 2010! This year is going to be a blast! There are new specialty camps, fun weekly themes, and plenty of surprises we cannot wait to share with you and your children! Included in this packet are some of the essentials to make the most out of the Camp Rishon experience.

In order to ensure a healthy, happy, and safe summer, we need certain information about our campers. Please fill out and return the **MEDICAL FORM NO LATER THAN TWO WEEKS BEFORE YOUR CHILD STARTS CAMP**. No campers will be allowed to start camp without a current medical form completed and signed by a physician. Each child must have had a physical within the past two years and up to date immunizations. Also on this form is the EMERGENCY MEDICAL AUTHORIZATION, which requires a signature by a parent or guardian. This is required in the unlikely event your child should need emergency medical treatment. **No camper will be allowed to participate in camp until this forms is completed and returned.**

The Parent Guide and Camp Information Flyers are also included for your information. Some camps require waivers for participation. Please return these waivers with the completed medical form. Review all the materials, as the provided information will enable parents and campers to prepare for camp and make this summer more enjoyable. A Camp Confirmation page is included to verify your camp registrations. Please call Camp Rishon at 445-2360 should there be any discrepancy in registration.

Thank you for joining Camp Rishon this summer. We look forward to receiving your campers' forms and getting everything in place for the coming summer.

Sincerely,

Lori Innella-Venne  
Camp Director

Amy Thrasher  
Assistant Camp Director  
Inclusion Specialist
