February 10 and 12, 2012

Carl Orff's

### **CARMINA BURANA**

Orff's relentless rhythm  
and haunting lyricism inflame  
ageless secret passions.

Preview Syracuse Opera's upcoming production of *Carmina Burana*.

Representatives from Syracuse Opera, along with featured artists will discuss the opera as well as sing excerpts from this triumphant celebration of life, love and lust.

Carl Orff's masterpiece of total theater presented fully staged as the composer intended, with stage action, choreography, lighting and dramatic visual design. Orff's dynamic score celebrates life through all four seasons. A favorite musical choice of filmmakers, the score includes a compelling blend of pagan rhythm and sublime melodies.
